**REVISION OF ANNUAL CAP AMOUNTS FOR  
CONTINUING CONNECTED TRANSACTIONS  
UNDER THE GAS PURCHASE MASTER AGREEMENT**

Reference is made to the announcement of the Company dated 3 December 2015 in relation to, among other matters, the Gas Purchase Master Agreement entered into between the Company and HKCG with respect to the Gas Purchase Transactions for a term commencing from 1 January 2016 to 31 December 2018. On 31 August 2017, the Company entered into the Supplemental Agreement with HKCG to amend the Gas Purchase Master Agreement by revising the Existing Annual Caps to the Revised Annual Caps. Save for the revision of the Existing Annual Caps to the Revised Annual Caps, all other terms and conditions under the Gas Purchase Master Agreement remain the same.

As HKCG is a controlling shareholder of the Company, members of the HKCG Group are connected persons of the Company under the Listing Rules. The entering into of the Supplemental Agreement and the Gas Purchase Transactions contemplated thereunder, which are carried out in the ordinary and usual course of business of the Group, therefore constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the Revised Annual Caps exceed HK\$3,000,000 but the relevant applicable percentage ratios calculated under Rule 14.07 of the Listing Rules in respect of the Revised Annual Caps are greater than 0.1% but less than 5%, the Supplemental Agreement and the Revised Annual Caps are only subject to the reporting, announcement and annual review requirements but are exempted from independent shareholders' approval under Chapter 14A of the Listing Rules.

Reference is made to the announcement of the Company dated 3 December 2015 in relation to, among other matters, the Gas Purchase Master Agreement entered into between the Company and HKCG with respect to the Gas Purchase Transactions for a term commencing from 1 January 2016 to 31 December 2018.

## **SUPPLEMENTAL AGREEMENT**

On 31 August 2017, the Company entered into the Supplemental Agreement with HKCG to amend the Gas Purchase Master Agreement by revising the Existing Annual Caps to the Revised Annual Caps. Save for the revision of the Existing Annual Caps to the Revised Annual Caps, all other terms and conditions under the Gas Purchase Master Agreement remain the same.

Set out below are the principal terms of the Supplemental Agreement.

### **Date:**

31 August 2017

### **Parties:**

- (i) the Company; and
- (ii) HKCG, the controlling shareholder of the Company

### **Subject matter:**

Pursuant to the Supplemental Agreement, the maximum aggregate consideration payable by the Group to the HKCG Group per annum in connection with the Gas Purchase Transactions for the two years ending 31 December 2017 and 31 December 2018 are amended as follows:

	<b>For the year ending 31 December 2017</b>	<b>For the year ending 31 December 2018</b>
<b>Existing Annual Caps</b>	RMB51,000,000 (approximately HK\$59,213,000)	RMB58,000,000 (approximately HK\$67,340,000)
<b>Revised Annual Caps</b>	RMB94,000,000 (approximately HK\$109,137,000)	RMB110,000,000 (approximately HK\$127,714,000)

## REASONS FOR REVISING THE EXISTING ANNUAL CAPS AND THE BASIS FOR DETERMINING THE REVISED ANNUAL CAPS

Pursuant to the Gas Purchase Master Agreement, the existing annual caps for the Gas Purchase Transactions for the three years ending 31 December 2018 were RMB41,000,000 (approximately HK\$47,602,000), RMB51,000,000 (approximately HK\$59,213,000) and RMB58,000,000 (approximately HK\$67,340,000). The actual amounts paid by the Group in respect of the Gas Purchase Transactions for the year ended 31 December 2016 (as disclosed in the Company's 2016 Annual Report) and for the six months ended 30 June 2017 were as follows:

	<b>For the year ended 31 December 2016</b>	<b>For the six months ended 30 June 2017</b>
	<i>(audited)</i>	<i>(unaudited)</i>
<b>Actual amounts of the Gas Purchase Transactions</b>	RMB5,308,000 (approximately HK\$6,163,000)	RMB18,478,000 (approximately HK\$21,454,000)

In view of the continuous business development of the Group in the PRC, members of the Group in Eastern China Region of the PRC had to procure liquefied natural gas from external sources. Given that the centralised liquefied natural gas procurement platform of the HKCG Group provide better quality gas supply at low prices, it is expected that the quantity of fuel gas to be purchased by members of the Group from members of the HKCG Group will increase and accordingly the Existing Annual Caps provided for in the Gas Purchase Master Agreement will not be sufficient to meet the Group's requirements for the two years ending 31 December 2017 and 31 December 2018. The Company therefore entered into the Supplemental Agreement with HKCG on 31 August 2017 to amend the Gas Purchase Master Agreement by revising the Existing Annual Caps to the Revised Annual Caps.

The Revised Annual Caps have been determined with reference to:

- (a) the historical figures on amounts paid by the Group in respect of the Gas Purchase Transactions;
- (b) the estimated demand of the Group for fuel gas;
- (c) the estimated volume of fuel gas that HKCG Group can supply;
- (d) the gas sources that can be provided by other independent suppliers and related tariffs;  
and
- (e) seasonal factors affecting the demand and supply of fuel gas.

The Directors (including the independent non-executive Directors) considered that the Gas Purchase Transactions are and will continue to be conducted in the ordinary and usual course of business of the Group and on arm's length basis, the terms of the Supplemental Agreement have been negotiated on an arm's length basis and are on normal commercial terms, and the terms of the Supplemental Agreement and the Revised Annual Caps are fair and reasonable and are in the interests of the Group and the shareholders of the Company taken as a whole.

## CONTINUING CONNECTED TRANSACTIONS

As HKCG is a controlling shareholder of the Company, members of the HKCG Group are connected persons of the Company under the Listing Rules. The entering into of the Supplemental Agreement and the Gas Purchase Transactions contemplated thereunder, which are carried out in the ordinary and usual course of business of the Group, therefore constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the Revised Annual Caps exceed HK\$3,000,000 but the relevant applicable percentage ratios calculated under Rule 14.07 of the Listing Rules in respect of the Revised Annual Caps are greater than 0.1% but less than 5%, the Supplemental Agreement and the Revised Annual Caps are only subject to the reporting, announcement and annual review requirements but are exempted from independent shareholders' approval under Chapter 14A of the Listing Rules.

As each of Mr. Chan Wing Kin, Alfred, Mr. Ho Hon Ming, John and Mr. Kwan Yuk Choi, James, all being Directors, are beneficially interested in approximately 0.0019%, 0.0003% and 0.0014% of the total number of issued shares of HKCG and Mr. Chan Wing Kin, Alfred and Mr. Wong Wai Yee, Peter are also directors of HKCG, each of them has abstained from voting on the board resolution to approve the Supplemental Agreement and the Revised Annual Caps.

## PRINCIPAL ACTIVITIES OF THE COMPANY AND HKCG

The Company is an investment holding company and the principal activities of its subsidiaries are the sales and distribution of piped gas in the PRC, including the provision of piped gas, construction of gas pipelines, the operation of city gas pipeline network, the operation of gas fuel automobile refilling stations and the sale of gas household appliances.

The principal activities of HKCG Group are the production, distribution and marketing of gas, water supply and emerging environmentally-friendly energy businesses in Hong Kong and the PRC.
